## Exports in 1940 Exceeded Imports by Widest Margin in Years

## Bonds

New York (AP).—Utility issues rallied smartly in yesterday's bond market while other groups remained under profit taking handicaps and ended in a general mixture of small gains and losses.

Strength in the power and light and communications obligations coincided with publication of some good earnings reports and a series of developments affecting the industry's relationship with the securities and exchange commission, especially the utility holding company act.

Outdistancing the general run of issues with gains of 1/2 to more than a point were, among others, Portland General Electric 4 1/2s at 80 1/2, Western Union 5s at 78 1/2, Commonwealth Edison 3 1/2s at 115 1/2, Consolidated Edison 3 1/2s at 106 1/2, and International Telephone 5s at 45 1/2.
